Group Project Sign-up Sheet

For your group project, you first need to choose a date of presentation. Once your group is finalized, you can together choose a topic, either from the list below or something else (approved by me). You then have to choose relevant texts (usually two – one from each genre). Your texts may be any medium of your choice (literary, video, graphic narratives, fine/plastic arts, etc.)

1) Same author for both SF and DF (eg. Edgar Allan Poe, Jasper Fforde, Isaac Asimov, Satyajit Ray)
2) Different kinds of 'science' (eg. Alternate medicine in SF and social knowledge in DF).
3) Knowledge from below (eg. Postcolonial or feminist SF / DF)
4) Knowledge and History (alternate history SF, historical DF)
5) Alternate worlds (justice and knowledge in other worlds)
6) Stock characters (traveler in SF/Observer in DF; scientist in SF / detective in DF)
7) Self-Other / Subject-Object relationship (human/alien/machine in SF; detective/criminal in DF)
8) Mixed genre texts (SF-DF in one, eg. Asimov's 'Liar', Dick's 'Minority Report')
9) Religion and Science (eg. Mythic SFF and DF such as the Father Brown series)
10) Knowledge and Institutions (scientific institutions in SF; police / courts etc. in DF)
